Loyola University
6363 St. Charles Avenue
New Orleans, La. 70115
Mascot: Wolfpack
Colors: Maroon and White
Enrollment: approximately 5000 students
Loyola was founded in 1912
A Catholic institution revolving around the Jesuit tradition of the liberal education of the whole person and committed to the belief that Christianity presents a meaningful world view.

A local band performs at one of Loyola's many T.G.I.F. parties for students, which are sponsored by the U.P.B.

A Busy Campus

Campus life is always exciting, especially at Loyola. Beside spending time studying, working on projects, or doing research in the Library the U.P.B. and other organizations offer many activities for both residents and commuters. Commuters, in past years, were not very involved. Now, thanks to Commuter Services everyone on campus gets involved in activities. T.G.I.F.'s are a popular distraction from the everyday routine. The Broadway Campus and Loyola's many quads offer a more peaceful setting for those interested. The Wolf Pub, on the other hand, offers a more distracting setting, but is very popular after classes.

Hey there, Bill Tatar; How the hell are you? Do you want to be in the yearbook?

Michelle Gubert wonders why people are working on such a nice day.

Students enjoy a beautiful day in the Peace Quad. I wonder how many are skipping class?

Loyola's Broadway campus is one of its pride and joys. Once owned by the Dominican Sisters it now houses law school classes and is part of the Cabra Hall dormitories.

WOLFPACK

Yes, the Pack is back! After 20 years of dormancy, the Loyola Wolfpack Basketball Team has re-entered intercollegiate competition. The season opener was Friday, November 8, 1991 at 7:30p.m. against Houston-Tillotson. Although the Pack suffered a disappointing loss, they played hard. The game was well attended and the fans seemed to have a good time. The season has been termed, "A Tradition Reborn".

Sophomore Gene Quarrels puts one up from the outside for the Wolfpack.

Some of the Loyola Wolfpack fans pause for a picture. Do you think they knew it was going to be in the yearbook?

With 7:07 to play in the first period, the Pack was down 23 to 8; unfortunately they did not rally to win their season opener.

Loyola's fans cheer a basket by the Wolfpack against the Rams of Houston - Tillotson.

Kim McNulte , captain, leads some of the other Wolfpack cheerleaders during the Pack's first game in twenty years.

Time Out

What do students do with free time?

Part of college life is learning to budget your time. As an adult, you must find time to do laundry, eat, clean your room, hang out with friends, go out, and oh yeah STUDY. The amount of homework is at least 10 times that of high school. If one of your high school teachers had assigned thirty pages of homework, what would you have said? "YEAH RIGHT." But now it's, "Thirty pages, thank God that's all." With such a stressful load of homework, how can you not budget most of your time to relax?

Some students find it easier and more productive to study in their rooms. Sure, there are the temptations of the telephone, t.v., and radio, but at least there is nobody else to distract you.

Thank God It's Friday ... And this Friday it's Twister. Students enjoyed the sunshine and played Twister to help Alpha Chi Omega raise money for Easter Seals. Oh yeah, the $150.00 prize may have had something to do with it!

Another place students like to go between classes is the Peace Quad; it's a great place to socialize, work on a paper, or maybe just take a nap.

Is it a place to study or a place of escape? Maybe it's both; the library has many places to hide away and study.

Free time? If you are an active student "free time" may be practicing or performing, and may not seem like "free time" at all.

Cabra Hall offers upperclassmen and law students a "sleep away" from the sometimes hectic main campus.

Variety at Loyola

As a Catholic University, Loyola offers variety among faculty, students, and classes, as well as other areas of life. There is the Rec Plex for health and fitness, the Pub for socializing and beer, the Wolf Den for amusement, and the Peace Quad for relaxing-just to name a few. No matter what your hobbies and interests are, you can probably find an organization to fit you. If not, you can start one! As one can see, "variety" is definitely an adjective that goes hand in hand with LOYOLA!!

Sophomore Gene Quarrels sets up for a free throw in the season opener against Houston-Tillotson.

One place to experience Loyola's variety is during a change of classes.

Pat Greenwood is caught hiding out in an R.A.'s room.

The "Wolf Den", gameroom is home to billiards, ping-pong, video games, and pinball; it's a great place to relieve stress.

Call Me

Parents often tell their children to call as they leave to go to college. Some students call home often, but mostly it's to ask for money. As the semester progresses parents hear less and less from their children. College is a place of new found independence. But watch out; one day you may find a letter that is a piece of paper with a quarter taped to it and the words "call me."

"Don't forget to call!" These are often the last words we hear when leaving our parents. But do we ever call? No. But this student took time out of his busy schedule to go call home.

Friday afternoons are the perfect time to relax and get ready for the weekend. Students usually sit with friends in the quad and enjoy the sunshine.

"Do you want to be in the yearbook?" Take a few pointers from Robert. Cruz and stick your head through a bush.

Becky Smith, Stephanie Galendez, Chris Shea, and Melissa Luke share a few beers before going out. This is often the way to start off the night in N.O.

The Biever porch is a prime place for social hour. Brenda Rivera and a friend take a break to smile for the camera.

Who Am I?

Who or better yet, what is he suppose to be? Well that's not exactly how we think but it's along the same lines. College is the time to find out who we are and what we want to be. This doesn't just mean professionally either. Loyola provides students with classes that challenge the very principles they were raised on. The common curriculum requires students to take a wide variety of classes to make them "well rounded individuals." But if you're still not sure who you are when you graduate, there's always graduate school!

Johanna Jackson and Rebecca Bosh eagerly await one of those world famous Mardi Gras parades.

Basketball? Loyola's Basketball team? Maybe that's why Eli Valesquez is holding a video camera. After a twenty year absence, Loyola once again has a basketball team.

With a heavy course load, students may find that the only time they have to spend with their significant other is on the way to class.

"Nice Hat! Do you think I could borrow it sometime? But I think it would look better without the moustache." Halloween provides an excellent time for students to let their true colors come out.

"Can you believe she did that?" can easily be overheard on the way to class. These ten minute breaks are a great time for students to catch up on the gossip.

Basketball games were much more fun with good friends. The games provided students with a chance to let off some steam.

Hanging Out

Students often need to take the time to just relax, or hang out. Loyola's campus is very beautiful and offers many private spots. There are quads in which students can sit and talk or lay-out and get some sun. There are many trees for those who prefer the shade, but most people prefer to get some rays. For peace and quiet you can choose to go into our library, but not many do. Across from Loyola is Audubon Park which is often the first choice for many. Even though New Orleans has unpredictable weather, students manage to enjoy the outdoors.

While it may not be as popular as the Residential Quad, in front of "Touchdown Jesus" is a great place to hang out.

Some people, like this woman, prefer to hang out between Marquette and the library and watch the world as it passes by.

The Residential Quad is probably the most popular place to hang out, especially when you skip class.

Carlos Cernudo enjoys hanging out at the Rec-Plex and talking to Alessandra Rampolla.

Jose Rivera is caught hanging out on the phone ... and "studying" Zoology?

Like this young lady, many people enjoy hanging out with their books on the benches between Bobet and Marquette.

During the window on a sunny day the Peace Quad is home to many Loyola students who are there to soak up some rays.

FUN! FUN! FUN!

Getting involved in campus life is the best way to make friends and memories. It may be as easy as joining an organization or as complex as performing in a musical or sports. No matter what you decide to do, the outcome is the same, FUN! If it wasn't fun you wouldn't do it. However, some organizations require study hours, community service, and practice. But these are the things that bring people together and remind them of just why it is that they are in college. Lending a hand is a way of life at Loyola.

It's not easy being cheezy! Sig Eps Clint Cantwell, Pat Swift, Joshua Reece, August Rauchle, Matt Wolfsberger, Scott Carroll, Brian Schaefer, Brian Bent, David Kondroik, John Donovan, and Chris Matherne are happy to show just how easy it can be.

In his free time, Staley Weidman is an active member of the Loyola Sailing Club. He has won several competitions. Loyola organizations cater to a wide variety of interests.

Intramural sports give students a chance to stay in shape and enjoy each other's company. The Rec Plex offers sports such as volleyball, basketball, floor hockey, football, baseball, cabbage ball, etc.

Sometimes the best way to meet people is to get a little physical. Some Alpha Chi Omega's found this out the hard way.

One aspect of many Loyola organizations is community service;it provides members a chance to give something back. Scott Carroll helps a child from Loyola Day Care Center paint a pumpkin.

Hard work, dedication, and practice are not foreign words to music students. One of Loyola's best assets is its music school, and these students are the reason why.

Some organization members find out a little more than they care to know on chapter retreats, as can be seen on the faces of Becky Smith and Harold Werling, Jr.

Theta Phis, Yvette Creel and Allison Stephens celebrate after the Big Sis ceremony.

Greeks

AKA

Alpha Kappa Alpha

Ethel Hedgemen Lyle and fifteen other women formed Alpha Kappa Alpha Sorority at Howard University, becoming the first Greek-letter organization for black women. Since its beginning in 1908, AKA has aimed to meet the goals set by its purpose: to encourage high scholastic and ethical standards, to unify college women, to maintain a progressive interest in college life, to alleviate social problems concerning women, and to be of service to all mankind.

AKA has grown to 753 undergraduate and graduate chapters across the United States and beyond to Africa, Germany, the Virgin Islands, and the Bahamas. Education, health, economic empowerment, family, arts, and the world community are the six basic targets of their current program. Our own Eta Theta Chapter celebrates 20 years of sisterhood and service. Eta Theta was chartered by 12 women in November of 1972. Eta Theta currently sponsors programs with Chester Elementary, Lafon Nursing Home, and the Battered Women's Shelter. On campus activities include "Everything You Need to Know ... ", Sickle Cell Anemia can shakes, Health Care Week, and various social events.

ΔΓ Delta Gamma

Delta Gamma Fraternity was founded in 1873 to offer women a rich heritage based on sound and tested principles of integrity, responsibility, and honesty. Today Delta Gamma is one of the largest and most respected international women's sororities linking over 130 collegiate chapters and 300 alumni groups in the United States, Canada, and Europe. Delta Gammas are active members and leaders in many organizations on campus including SGA, Lucap, Cardinal Key National Honor Society, Panhellenic, UPB, and numerous other organizations and honor societies. Delta Gamma is also actively involved in intramural sports including flag football (Champions for three consecutive years), floor hockey, soccer and basketball. Delta Gamma Fraternity is committed to the national philanthropy of Aid to the Blind. Here at the Epsilon Phi chapter, Loyola, we help the blind by vision screening at local schools, reading for the blind, making braille Christmas cards, and having fundraisers to donate to our foundation. The pledges of Delta Gamma hosted a fashion show this year in which proceeds benefited Aid to the Blind. Delta Gamma Fraternity also offers $1,000 scholarships and $2,500 Fellowships to its members to assist with college expenses. It also offers a cable connection which links graduating members with Delta Gammas all over the world with jobs in their major field of study.

The sisters of Delta Gamma participate together in activities such as chapter retreats, Big Sis/Lil Sis picnics, chapter dinners and chapter masses. Members also hosted events such as Boxer rebellion, Back in Black, Mai Tai, Mixers with Loyola and Tulane fraternities, Christmas Cocktail and the Golden Anchor Ball.

Nicole Landry, Cherie Montero, and Laura Beaty are sure to make someone walk the plank at the DG Halloween party.

ΦΚΨ Phi Kappa Psi

Phi Kappa Psi is a Noble Fraternity founded on the spirit of excellence in both scholarship and humanity. Founded in 1852 at Jefferson College in Pennsylvania, the National Fraternity has since then established itself as a pristine fraternity holding both tradition and innovation. The Louisiana Gamma Colony of Phi Kappa Psi was installed on February 15, 1990. The fraternity has grown ever since and is presently going through the process of acquiring a charter, which allows it to become a National Chapter.

Having been on Loyola's campus for two and a half academic years now, the fraternity has accomplished a lot both within the fraternity a nd among the student body. To name a few, Phi Kappa Psi has held the highest GPA for men's fraternities for two years. Philanthropically, Phi Psi in conjuction with various corporate sponsors, has participated in and designed events with Special Olympics.

Members of Phi Kappa Psi are heavily involved with SGA, the Interfraternity council, various honor societies, intramural sports (Softball Tournament Champions in 1991) and the list goes on.

ΔΣΘ Delta Sigma Theta

Delta Sigma Theta Sorority, Inc. is a private, non-profit organization whose purpose is to provide services and programs to promote human welfare. The sorority's programs are based upon its Five Point Thrust: Economic Development, Educational Development, International Awareness/Involvement, Physical/Mental Health, and Political Awareness/Involvement. Delta's outreach extends beyond its individual chapters. The national organization works in cooperation with other national groups that share our goals and concerns such as NAACP and the National Council of Negro Women.

In 1913, Delta Sigma Theta was founded by 22 undergraduate women at Howard Un. Their ultimate goal was to collectively promote academic excellence as well as to provide assistance to the needy. During this school year, Nu Mu has coordinated and participated in many service activities including Operation Rejuvination, a Sickle Cell Anemia Canshake, and the Dr. Martin Luther King Jr. Walk for Peace. Also, Nu Mu held its annual Cultural Explosion, Black History Mixer, Valentine's Day Cocktail Sip, and Founder's Day Program as well as the Greek Show Extravaganza in the Spring semester.

Every year sorority members get together to celebrate the day of their founding. Delta Sigma Theta is a city-wide chapter and this is just one of several occasions when they get together.

Rev. James C. Carter, S.J.

University President

"Loyola is a special place because it knows where it is going. Loyola has made a deliberate choice to be an undergraduate teaching institution. As the fourteenth President of Loyola University, Fr. Carter has held the position for sixteen years (the longest tenure of any Loyola president). Fr. Carter joined Loyola as a physics instructor as assistant professor, associate professor, director of education for the New Orleans Province for the Society of Jesus and Academic Vice President in 1974.

Loyola organizations offer students an opportunity to cultivate lasting friendships, as evidenced by Randy Nicoll and Laura Young.

Organizations

LOYOLA CYCLING CLUB

The Loyola Cycling Club is a vibrant and growing organization with plenty of promise for the future. The club has seen it's best year ever in 1991. In USCF sanctioned events, the racing team, wearing Loyola's bright yellow jerseys, was able to capture second place overall among all the state's bicycle racing teams. Colorful and competitive, the sport of bicycle racing is demanding of both time and physical effort, but the men and women of Loyola's team were out there all year to make sure that "The Wolf" was present in the races, and feared by all. In October, the Loyola Team put on it's own race- the James Business Park Criterium. This race was attended by several other teams from throughout the state, and as might be expected, the Loyola crew did well for themselves in all events. Next year should hold more victories for the team, and events sponsored by the Cycling Club. So c'mon- get involved in Loyola's winningest and most competitive team, and share in the victory.

Programs of the club include recreational sailing and instruction and sailing with LUCAP.

Lady Wolves Soccer

And we have for you now, in its first year of existence in over five years, the LU Lady Wolves Soccer Team! After many struggles for organization, women's soccer has been reintroduced to Loyola at the club level. Currently affiliated with the New Orleans Women's Soccer League, the Lady Wolves play local women's teams as well as Tulane, UNO, and the Un. of Southern La. Games are played year round on Sundays at UNO. Practice is conducted biweekly at the Quad, RecPlex, or the Fly by coaches Dan Tadros and Glenn Hoffman. Both are LU Law students and volunteer their time. Through funds granted by SGA and Rec Sports and Athletics the team was able to buy new uniforms and equipment. The team has high hopes to eventually become an Intercollegiate team.

Members of the Lady Wolves: Susan Chipperfield, Tara Codr, Sonja Cook, Michele Croteau, Elizabeth Dufilho, Kristy Ellis, Shelly Garcia, Maria Graesser, Dayna Heisler, Jill Lackett, Josselyn LaMartina, Amber McConnell, Meghan Murphy, Kyndel Peacock, Katherine Ruck, Tracy Suryn, Nicole Tursi, Cynthia Walsh, and Michelle Welde.

Student Alumni Association

The LU Student Alumni Association was founded under the direction of the LU Alumni Association to serve as a link between prospective students, students, alumni, administration, faculty, and friends of Loyola.

The purpose of the SAA is to enhance student involvement in the University, facilitate an active relationship between students and alumni and cultivate good future alumni from the current student population.

SAA coordinates programs that build lasting relationships in the University such as Faculty Thanksgiving, Alumni/Student Switchoff, Spirit Week, Staff Appreciation Easter Baskets, and Senior Week.

The International Fraternity of Delta Sigma Pi was founded in 1907 at New York University's school of Commerce, Accounts, and Finance. The purpose was to foster the study of business in universities, to promote closer affiliation between the commercial world and students of commerce, to encourage scholarship, social activity, and the association of students for their mutual advancement by research and practice. LU's Delta Nu chapter, founded May 3, 1958, values these same principles. Activities of the chapter include working Saints' games, guest speakers, tours of local businesses, community service, cocktail and other social events.

CSA

The Caribbean Student Association (CSA) was formed out of the concern of a myriad of students who acknowledged the need for an organization in which to share the cultural and historical background of the Caribbean. It was the hope of these students that they would be able to foster a better understanding of the Caribbean, while becoming culturally aware of other cultures surrounding the United States and more empathetic of those who have originated from there.

The purpose of CSA is to provide means of effective support for all members, plan and execute activities or cultural, historical and educational significance. To foster multicultural relations and nurture common interests, to encourage articulation and discussion of issues affecting the dominant culture - that of the U.S.A. - and the Caribbean. To collect, process and disseminate information on career opportunities for those interested in seeking a career in the Caribbean, and to render community service to the Greater New Orleans area.

Editor's Note

Loyola's yearbook is the product of an all volunteer staff and funded solely through student fees. All type is News Gothic in standard, bold, italic and bold italic style ranging from eight to sixty point sizes. Backgrounds are in 100% white, 10 and 30% black, and 100% Maroon. The current events endsheets were designed by Jostens. This book was produced by Jostens

Printing and Publishing under the direction of Kathy Brooks, plant consultant. This year's book could not have been produced without the help of several people; I would like to thank Tracey Guillotte, Laura Young, Dawn Noel, and Warren Johnson for the efforts and time. A very special thank you goes out to Bill Hopkins, Jostens Sales

Representative, Harold Baquet, University Photographer, Julia McSherry, Publications Director, and Larry Lorenz, Faculty Advisor. Without their help the 1991-92 Yearbook never would have been possible; thank you.
